

AN IMPORTANT UPDATE

Beginning August 1, 2026

After careful review, Hub City Supply is changing how we operate. Our public showroom will close indefinitely, while Hub City continues as a contractor-focused material supplier.

WHAT IS CHANGING

- **PUBLIC SHOWROOM** - The showroom will close to the general public at the end of the day on July 31, 2026.
- **INSTALLATION SERVICES** - We are no longer accepting new installation projects. Existing signed installation commitments will be completed.
- **MATERIAL SALES** - Beginning August 1, materials and special orders will be available only to approved contractors and trade partners.

FOR OUR CURRENT CUSTOMERS

Customers with active orders, signed installation projects, or warranty questions will continue to receive assistance. Please call us so we can review your specific order or project.
